## “Tuesday Evening at the Museum”

A series of presentations and discussions featuring topics of interest to our members to be held the fourth Tuesday of each month at the THS Museum.

The Forty-seventh Presentation in our Series:

### “Historical Figures from Talent’s Past”

June 11, 2019

Starting at 6:30 p.m.

Presented by Students From

Talent Elementary School – Outdoor Discovery Program

Departing from our regular night and location! This program will occur on the second Tuesday in June due to School Scheduling and rather than being at the Museum, will be held in the new Talent Community Center to allow space for the expected audience.

Student presentations will include writing, displays and discussions on the historical figures and the way of life on the Oregon Trail and in the early history of our local community. The Museum will be open for parents, students and community members who want to look around.

Because of this special event, there will not be a regular Tuesday Evening at the Museum program at the museum on the fourth Tuesday of this June.

You do not need to be a member of the Talent Historical Society to attend.

Well behaved children are welcome and encouraged to attend.
